Class History

Our years have been quite memorable and interesting. One of our first memorable adventures was pulling the little red wagon to the cafeteria to get milk for the class. Kindergarten brings back memories of our cubby holes, playing in the sandbox, all our parties with crown hats, and fifteen minute recesses.

Most of our primary school days memories include Miss Pillsbury's treasure chest, chorus with Miss Bouleau, the George Washington Play, the Charlie Brown Play, and Mr. Luzzies doing his elephant imitations. Our earlier years also give us trips to the Sunbeam Bakery, Roger Williams Park, the Boston Museum of Science, and Plimoth Plantation.

Making the transition to Junior High introduced us to cooking in Home Economics, having our own lockers, changing classes, different teachers, no more recess, and Mr. Rafferty's wonderful bird calls. A real high point for us was getting to go to school dances.

We will always remember our band taking First Place in the Christmas Parade, fund raisers for the eighth grade, and being the first ones to use the new tables in the lunch room.

We would like to thank our Primary and Junior High teachers for getting us this far. We will remember our graduation as a conclusion to our past accomplishments, and also view it as an introduction to our future endeavors.

A Touch of Class

We the class of '85 would like to give our sincere thanks to Mr. Cannel, faculty, fellow students, our parents, and a special thanks to Mrs. Monast for making this yearbook possible.

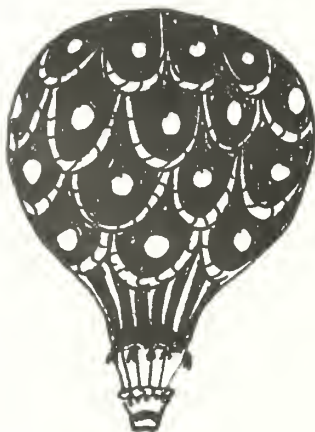

The time has come to go our separate ways, but we will never forget our days together in Berkley.

Whatever the future may hold, we feel that our years in Berkley have prepared us to achieve our goals and be the best we can possibly be.

We would like to take this opportunity to wish the upcoming class of '86 "good luck" in their final year and may derive much satisfaction from this precious time.

May we always be remembered as the class with the "Touch of Class".
